Ms. Deb Bixler (Debbie Banana)  
42 North Russell Street  
York, Pa 17402

Dear Ms. Bixler,

On behalf of the entire Take Your Child To Work Day (TYCTWD) 2007 committee, I would like to thank you for presenting your program to our employee's children here at the National Cancer Institute at Frederick. Your message comparing whole foods to processed foods is relevant as many individuals don't know proper nutrition in our society. Striving to eat five servings of fruits and veggies a day is an important message for all children to hear. Thank you very much for your participation. We hope you are available to present again at next year's event, as many parents commented on how wonderful your program is.

Sincerely,

Craig W. Reynolds, Ph.D.

Associate Director, National Cancer Institute
